Atlas Series

SWITCHES & SOCKETS

Built to the box already in the wall.

Switches, sockets, dimmers and fan control on one plate, in the module widths Indian boards are built to.

MODULES	2M, 4M, 6M and 8M
LED LOAD	300W per gang, up to 1000W
SUPPLY	110–250V, 50/60Hz
WALL BOX	India 6M / 8M
PROTOCOL	Zigbee, Wi-Fi

Atlas Series

6 & 8 MODULE

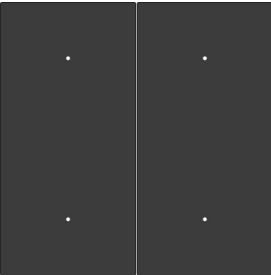

One frame.
Any combination.

Keys, knob, gateway and sockets share a single plate, so a board is specified by what the room needs rather than by what the range allows.

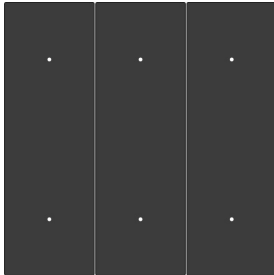

LED LOAD	300W per gang, up to 1000W
FINISH	PC painting, brushed aluminium
SUPPLY	110–250V, 50/60Hz
WALL BOX	India 6M / 8M
COLOUR	Black, grey

Orion Series

2 MODULE · KEY PRESS

A key you press.
A surface that stays clean.

Anti-glare glass with the skin feel of a phone back, so the plate takes a day of fingers and still looks clean from across the room.

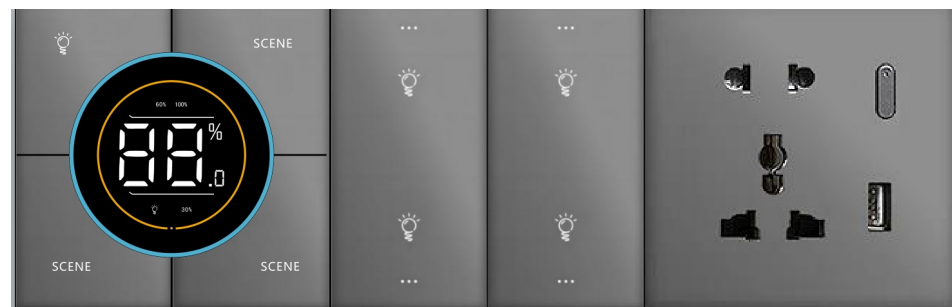

LED LOAD 300W per gang, up to 1000W

PLATE 86 × 86 × 36mm

SUPPLY 110–250V, 50/60Hz

Vertex Series

2 MODULE · ALUMINIUM

Aircraft aluminium,
machined for a wall.

A 6063 aluminium frame held on magnets, brushed or sandblasted, with the indicator glowing through the metal rather than sitting on it.

LED LOAD	300W per gang, up to 1000W
PLATE	86 × 86 × 36mm, aluminium
SUPPLY	110–250V, 50/60Hz

Control Panels

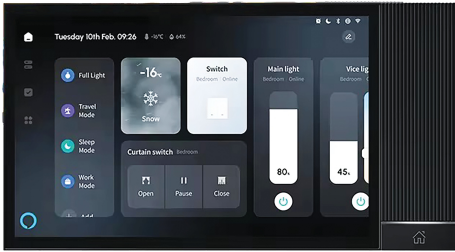

WALL · FOUR SIZES

One screen holds
the whole house.

Gateway, controller and door station in a single plate
– scenes, lighting, curtains and climate on one screen,
by touch or by voice.

control

ACCESSORIES

Curtain motor

Zigbee motor for tracks carrying up to 60kg, with a 1.2Nm slider and soft-touch start – a pull on the fabric sets it running. Two-wire.

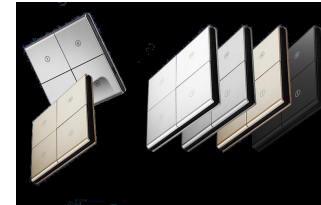

Video door bell

1080p Wi-Fi door bell with motion sensing and a long-range wireless chime. Battery, 12V DC or USB-C. Releases a paired smart lock from the same app; works with Alexa and Google.

Wireless scene keypad, 6 key

Six keys carrying eighteen scenes, on a magnetic wall plate that lifts off and travels. Coin-cell powered, so no back box and no wiring.

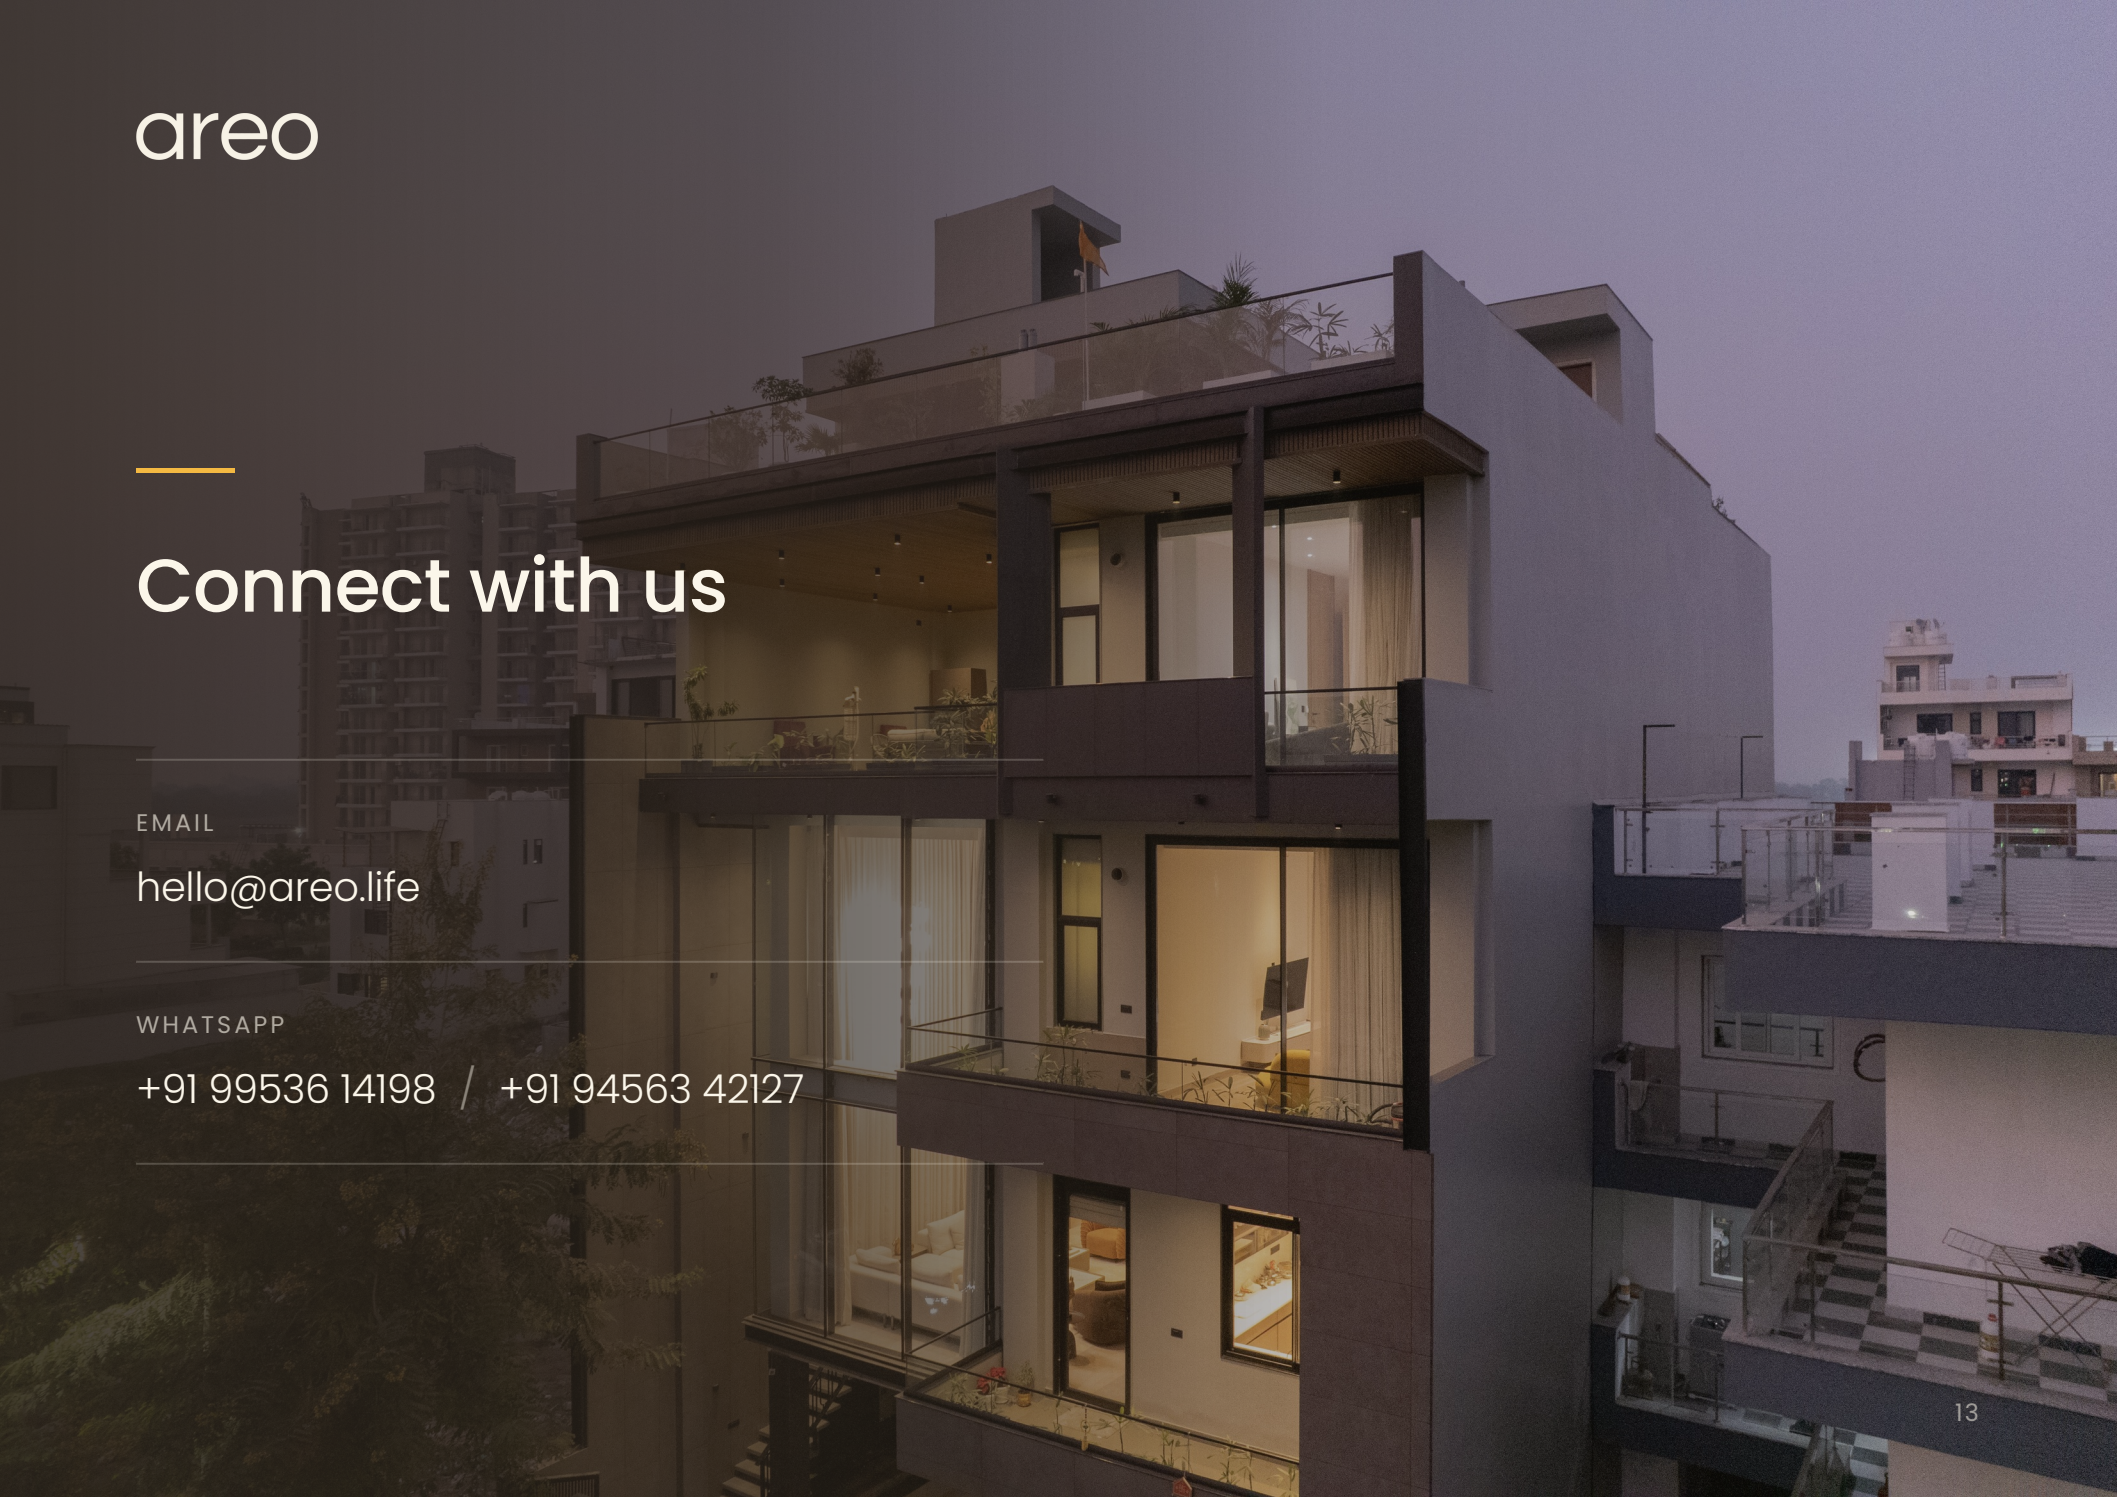

Wireless scene keypad, 4 key

Four keys carrying twelve scenes, or used as a lighting remote. Magnetic wall plate with a rechargeable cell and USB-C.

30A heavy load relay

External relay for loads beyond a switch plate – geysers, pumps, motors – driven from a touch panel or an in-wall module.
